UP ↑ IN ↔ OUT → GROUPS

Are you interested in helping people to grow and mature in faith through worship and the development of healthy spiritual activities such as prayer, bible study, Christian meditation or journaling? Would you like to contribute to a group that wants to encourage & deepen discipleship across the congregation? If so, then the **Up Group** might be the place where you can serve.

Are you passionate about caring for others? Would you like to be involved in developing and delivering activities with a focus on building healthy relationships across the congregation? Do you want to make sure that we know people by name and not just a face in crowd? If so, then the **In Group** might be the place where you can serve.

Do you have a desire to see people with no church connection become connected? Do you have a desire to share with others the story of Jesus? Would you like to see the church explore ways of reaching out? If so then the **Out Group** might be the place where you can serve.

The groups aim to meet 6 times a year to plan and review work.

If you would like to explore being part of a group, please email Grant before 9th June.
